A. Adiran Engineering & Agencies Ltd. authorised agent of Howden Turbo GmbH

Dear Sir or Madam,

It is our pleasure to inform you that Howden Turbo GmbH (former Siemens Turbomachinery Equipment GmbH, former Aktiengesellschaft Kühnle, Kopp & Kausch), 67227 Frankenthal, Federal Republic of Germany, are collaborating with

A. Adiran Engineering & Agencies Ltd.
32, Shaham St.
P.O.B. 7010
Petach Tikva 49250

The above company is at this point of time our sole agent for new sales and service of HV-Turbo compressors including KK&K environmental compressors (existing fleet) and for service of KK&K steam turbines in the State of Israel. In addition to that Howden Turbo GmbH is seeking to appoint A. Adiran Engineering & Agencies Ltd also as our authorized representative for Industrial Compressors in the State of Israel.

This confirmation letter shall remain in force until 31 December 2024.

Best regards

Howden Turbo GmbH

Volker Neumann
CEO
